How can I save content from my legacy ?TwinSpace

Koen - 2025-01-15 - General

The legacy platform, including the old TwinSpaces, will be taken offline. In this screencast we show briefly how .you can access and download your materials

Here's a short video which shows how you can save content from your TwinSpaces on the legacy platform. Below the video, we have the steps in writing

:As explained in the video, to save the content from your legacy TwinSpace

- you first go to https://twinspace.etwinning.net (you may need to accept the warning about an expired (certificate
 - you log in with your **legacy** username and password •
 - you access the TwinSpace of which you want to save materials
 - :and you can save materials as such .
- homepage (including latest updates) and pages: press control + P to print, and use the option $\,^{\circ}$ 'Print to PDF' of your browser
- materials > images: click once on the image and right-click on the link 'View original' and then \circ '...'Save link as
 - 'materials > files: click on the file and click the link 'Download file $\,\circ\,$
