Closure of the legacy platform

2025-01-15 - Koen - Platform news

As of 1 March 2025, the legacy platform will be officially discontinued.

We therefore encourage all eTwinners to save any important materials from their old TwinSpace by the end of February 2025. As a reminder, the legacy platform contains the TwinSpaces of eTwinning projects created up to June 2022.

Do you want to save the content? Please see our support article: [How can I save content from my legacy TwinSpace](#)
