How can I edit the information of an organisation/school?

Koen - 2022-12-20 - Schools & Organisations

The steps to change the information of your organisation/school depends on whether it is eTwinning-validated or not. To find out the validation status:

- Click on your name in the top-right
- Click on 'My profile'
- In the 'Organisations' tab, check the "eTwinning validation status" of the organisation

Is your organisation eTwinning-validated?

For the moment this is not possible. In the future, you will be able to request changes, which your National Support organisation will then need to approve. When this functionality becomes available on the platform, it will be communicated to all eTwinners.

Is your organisation not eTwinning-validated?

For the moment this is not possible. In the future, the administrator of the organisation will be able to edit the organisation's details.
